

KnowBook SOFTWARE LICENSE AGREEMENT

PART (i)

Please read this software license agreement carefully before downloading, installing or using SimiGon or SimiGon-supplied software. By downloading or installing the software, or using the equipment that contains this software, you are consenting to be bound by this agreement. If you do not agree to all of the terms of this agreement, do not download, install or use the software. You may return the software for a full refund according to the following limitations: Your right to return and refund expires 30 days after purchase from SimiGon or an authorized SimiGon reseller. The right to return and refund extends only to the original purchaser.

The following terms govern your use of the Software except to the extent a particular program (a) is the subject of a separate written agreement with SimiGon or (b) includes a separate "click-on" license agreement as part of the installation process.

1. Single User License.

Subject to the terms and conditions of this Agreement, SimiGon Ltd. ("SimiGon") and its suppliers grant to Customer ("Customer") a nonexclusive and nontransferable license to use the specific SimiGon program modules, feature set(s) or feature(s) for which Customer has paid the required license fees (the "Software"), in object code form only solely as embedded in SimiGon equipment, on a single hardware chassis, or on a single central processing unit, as applicable, owned or leased by Customer. Customer may make and use in accordance with the foregoing up to the number of copies of the Software specified on the master copy of such Software provided by SimiGon, or for which Customer has received a product Application authorization key ("PAK"), provided Customer has paid SimiGon the required license fee for such master copy or PAK.

2. Multi-User License.

If Customer has purchased a multi-user license from SimiGon, then, subject to the terms and conditions of this Agreement, SimiGon and its suppliers grant to Customer a nonexclusive and nontransferable license to use the Software, in object code form only, in ONLY ONE of the following manners:

A.1. Installed in a single location on a hard disk or other storage device of up to the number of Customer's computers or simultaneous users authorized under such license and for which Customer has paid SimiGon the required license fee ("Permitted Number of Computers" or "Permitted Number of Users", as applicable); or

A.2. Provided the Software is configured for network use, installed on a single file server for use on a single local area network for either (but not both) of the following purposes: (a) Permanent installation onto a hard disk or other storage device of up to the Permitted Number of Computers or Permitted Number of Users, as applicable; or (b) use of the Software over such network, provided the number of computers or users connected to the server does not exceed the Permitted Number of Computers or Permitted Number of Users, as applicable.

NOTE: For evaluation or beta copies for which SimiGon does not charge a license fee, the above requirement to pay a license fee does not apply.

3. Limitations.

3.1 Except as otherwise expressly provided under this Agreement, Customer shall have no right, and Customer specifically agrees not to:

- (i) Transfer or sublicense its license rights to any other person, or use the Software on unauthorized or secondhand SimiGon equipment;
- (ii) Make error corrections to or otherwise modify or adapt the Software nor create derivative works based upon the Software, or to permit third parties to do the same; or
- (iii) Copy, in whole or in part, de-compile, decrypt, reverse engineer, disassemble or otherwise reduce the Software to human-readable form.

3.2 To the extent required by law, at Customer's request, SimiGon shall provide Customer with the interface information needed to achieve interoperability between the Software and another independently created program, on payment of SimiGon's applicable fee. Customer shall observe strict obligations of confidentiality with respect to such information.

4. Upgrades and Additional Copies.

For purposes of this Agreement, "Software" shall include (and the terms and conditions of this Agreement shall apply to any upgrades, updates, bug fixes or modified versions (collectively, "Upgrades") or backup copies of the Software licensed or provided to Customer by SimiGon or an authorized distributor for which Customer has paid the applicable license fees.

Notwithstanding any other provision of this agreement:

- (1) Customer has no license or right to use any such additional copies or upgrades unless customer, at the time of acquiring such copy or upgrade, already holds a valid license to the original software;
- (2) Use of upgrades is limited to SimiGon equipment for which customer is the original end user purchaser or lessee or who otherwise holds a valid license to use the software which is being upgraded;
- (3) And use of additional copies is limited to backup purposes only.

5. Proprietary Notices.

Customer agrees to maintain and reproduce all copyright and other proprietary notices on all copies, in any form, of the Software in the same form and manner that such copyright and other proprietary notices are included on the Software. Except as expressly authorized in this Agreement, Customer shall not make any copies or duplicates or any Software without the prior written permission of SimiGon. Customer may make such backup copies of the Software as may be necessary for Customer's lawful use, provided Customer affixes to such copies all copyright, confidentiality, and proprietary notices that appear on the original.

6. Protection of Information.

Customer agrees that aspects of the Software and associated documentation, including the specific design and structure of individual programs, constitute trade secrets and/or copyrighted material of SimiGon. Customer shall not disclose, provide, or otherwise

make available such trade secrets or copyrighted material in any form to any third party without the prior written consent of SimiGon.

Customer shall implement reasonable security measures to protect such trade secrets and copyrighted material. Title to Software and documentation shall remain solely with SimiGon.

7. Restricted Rights.

SimiGon's commercial software and commercial computer software documentation is provided to United States Government agencies in accordance with the terms of this Agreement, and per subparagraph "(c)" of the "Commercial Computer Software - Restricted Rights" clause at FAR 52.227-19 (June 1987). For DOD agencies, the restrictions set forth in the "Technical Data-Commercial Items" clause at DFARS 252.227-7015 (Nov 1995) shall also apply.

8. Term and Termination.

This Agreement is effective until terminated. Customer may terminate this Agreement at any time by destroying all copies of Software including any Documentation. Customer's license rights under this Agreement will terminate immediately without notice from SimiGon if Customer fails to comply with any provision of this Agreement. Upon termination, Customer must destroy all copies of Software in its possession or control.

PART (ii)

Limited Warranty.

If Customer obtained the Software directly from SimiGon, then SimiGon warrants that for a period of ninety (90) days from the date of shipment from SimiGon: (i) the media on which the Software is furnished will be free of defects in materials and workmanship under normal use; and (ii) the Software will substantially conform to its published specifications. This limited warranty extends only to Customer as the original licensee. Customer's sole and exclusive remedy and the entire liability of SimiGon and its suppliers under this limited warranty will be, at SimiGon or its service center's option, repair, replacement, or refund of the Software if reported (or, upon request, returned) to SimiGon or its designee. Except as expressly granted in this Agreement, the Software is provided AS IS. SimiGon does not warrant that the Software is error free or that Customer will be able to operate the Software without problems or interruptions.

This warranty does not apply if the Software (a) is licensed for beta, evaluation, testing or demonstration purposes for which SimiGon does not receive a license fee, (b) has been altered, except by SimiGon, (c) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by SimiGon, (d) has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident, or (e) is used in ultra-hazardous activities.

If Customer obtained the Software from a SimiGon distributor, the terms of any warranty shall be as provided by such distributor, and SimiGon provides Customer no warranty with respect to such Software.

Except as specified in this warranty, all express or implied conditions, representations, and warranties including, without limitation, any implied warranty or condition of merchantability, fitness for a particular purpose, non-infringement, satisfactory quality or arising from a course of dealing, usage, or trade practice, are hereby excluded to the extent allowed by applicable law.

In no event will SimiGon or its suppliers be liable for any lost revenue, profit, or data, or for special, indirect, consequential, incidental, or punitive damages however caused and regardless of the theory of liability arising out of the use of or inability to use the software even if SimiGon or its suppliers have been advised of the possibility of such damages.

In no event shall SimiGon's or its suppliers' liability to Customer, whether in contract, tort (including negligence), or otherwise, exceed the price paid by Customer. The foregoing limitations shall apply even if the above-stated warranty fails of its essential purpose.

Because some states or jurisdictions do not allow limitation or exclusion of consequential or incidental damages, the above limitation may not apply to you.

Customer Records.

Customer grants to SimiGon and its independent accountants the right to examine Customer's books, records and accounts during Customer's normal business hours to verify compliance with this Agreement. In the event such audit discloses non-compliance with this Agreement, Customer shall promptly pay to SimiGon the appropriate licensee fees.

Export.

Software, including technical data, is subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Customer agrees to comply strictly with all such regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export, or import Software.

General.

This Agreement shall be governed by and construed in accordance with the laws of the State of Israel, as if performed wholly within the state and without giving effect to the principles of conflict of law. If any portion hereof is found to be void or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect. This Agreement constitutes the entire agreement between the parties with respect to the use of the Software.
